Sticky Wicket - Overview

Sticky Wicket is an annual cricket tournament made of teams from companies involved in the exhibition and events industry with the objectives of having a fun day out with industry colleagues and to raise money for The Lord's Taverner (www.LordsTaverners.org)

However, the event is used within the exhibition and event industry as an unrivalled networking opportunity – a chance to entertain clients, meet new people and create new business opportunities.

Now in its 12th year, the event is well established in the event calendar and from 8 teams in the first year there are now 16 teams from companies in our industry competing for the Sticky Wicket Trophy and which in total has raised £377,249.70 for the Lord's Taverners whilst having a great amount of fun! In addition, throughout the day there will be a large number of people visiting the event for entertainment and socialising or some even using as an opportunity to hold their company Summer Day Out.

Lunch is provided for all team members and there is a bar (using a wristband system) available for Team guests, and which can be purchased by general spectators on the day.

10:00 - Captains meeting

10:30 - First round of matches start and take place concurrently on four pitches to ensure maximum involvement. There will be no interruption during the day as in the schedule. Lunch will be supplied to the players between 12 noon and 2.00pm.
